

# AUTUMN TERM 2019

## YEAR 1 and 2

# Rumble and Roar!

Our Learning Journey is Rumble and Roar!

**Art:** We will use marbling techniques to decorate dinosaur eggs. We will also explore sponge printing and wax pictures.

**DT:** We will design and make our own dinosaur hand puppet. We will also make fossils out of clay.

**Literacy:** Our literacy units this term are: Fiction: A lost and found story, information texts, and poetry. We will explore these text types through our 'dinosaur' topic.

**RE Topics: Year 1:**  
Family, Belonging, Waiting  
**Year 2:** Beginnings, Signs and Symbols, Preparations  
Year 1& 2: Judaism

**P.E:** Dinosaur dance.

**Geography:** We will investigate where dinosaur bones and fossils were found and where dinosaurs lived to develop our map skills and knowledge of countries and continents.

**Computing:**  
**We are Astronauts!**  
This unit introduces the idea of algorithms and predicting what a simple program will do.  
**We are Game Testers!**  
This unit builds on the idea of algorithms, and how to think critically about computer games and their use.

**Science:** Our focus is Working Scientifically and Everyday Materials. We will use practical scientific methods to explore properties of materials and their uses.

**Music:** We will learn a variety of dinosaur songs and use 'charanga' to explore different types of music.

**History:** We will research the life of Mary Anning and place events in chronological order using the words: before, after, past, present, then, now.
