

# Reception Take Home Task

## A walk in the woods!

**This is an optional homework task for parents and children to share**

During half term, go for a scavenge walk in the wood. Collect a bag of interesting discoveries on your scavenge; it could include leaves, twigs, acorns etc. Use them to make a woodland collage or an artistic creation in the style of Andy Goldsworthy, a brilliant British artist who collaborates with nature to make his creations! [See below] There is no right or wrong method! Please remember to name your wonderful work and /or photographs.

To be completed and handed into school by: Friday 28 February 2020
