Re: Phase 3 – Opening to Children in Year 1

Dear Parents and Carers

First, thank you to those of you who have contacted teachers with supportive messages after our move to Zoom contact last week. It's been brilliant to see so many children after such a long lockdown. All of them have grown so much and look ready for a return in September, which we hope will be as normal as possible. More guidance is expected in the coming days about this, so I will keep you informed as and when I know more. We'll continue to use Zoom to stay in contact with the children over the remainder of the term so, please look out for the PINGs that class teachers will send about meeting details.

As you know, we're welcoming back some children in Reception whose parents asked us to make provision for them in the survey that I sent out earlier in the term. This provision begins on Tuesday June 30<sup>th</sup> and details have already been sent to the relevant families. The main reason for writing today though is to inform you that our third phase of return will begin for Year 1 children on Monday July 6<sup>th</sup>. Those parents and carers who told us that they wanted to use this provision in our survey will be contacted before this date so that you know exactly what to expect and the arrangements. We look forward to seeing them.

Lastly, I've had some requests regarding child care arrangements for the Summer Holidays. At the moment, I'm investigating what other provision is available for you. Many of you will know that Anna has been working non stop since March and deserves a break, so we won't be offering anything at Our Lady's, which will also allow us to undertake some school improvements. I'll be in further touch about this.
