April 3rd 2020

Dear Parents and Carers,

I hope that things are going reasonably well. As we approach the Easter Holidays I wanted to thank you all again for your support – it's superb to see photographs of the children's home learning appearing on our website and hearing about the activities that are taking place for the children away from school.

Moving forward, I need to ensure that we are doing everything we can to support you with children at home. At the start of this crisis we, like many other schools, sent home packs and put resources on our website without any real understanding of how long children would be away. It's now becoming clearer that things may not return to normal for some time and that we at school will need to change our approach so that families get the support that they need.

In order to evaluate our provision, we'd really appreciate it if you could complete a really short online survey. This help us understand where we're doing well and also what we need to work on; so please complete any returns by Friday April 17th at 5pm.

I've also heard from parents who'd like resources in order to support their children in the preparations for Easter. These are on our website in the remote learning pages under 'RE' and are the resources that we would use in school. I'm also talking to Fr. Benny later today about whether we're able to post a link on the site so that children can access a virtual mass; so stand by to hear more about this if it's something that's possible to do.

As always, take good care of yourselves and keep up to speed with the website, Ping and Facebook pages for further updates; I'll certainly be in touch with you all over Easter.

For those that wish to contribute; the link to the brief survey is below:

Happy Easter, Everyone!

Kind regards,

Paul Barber
