

We are delighted to say that the Diocese of Leeds will be launching a new series of online singing sessions suitable for KS2 (anyone really!) on their YouTube channel from Monday 11 January at 2pm.

Music is very hard to deliver for home learning and Leeds hope they will fill this gap, with lots of fun, faith content and music curriculum. Once they have KS2 up and running they will also introduce weekly KS1 / EYFS sessions.

Please consider subscribing to their channel, www.schoolssingingprogramme.org.uk (this link takes you to the YouTube channel). There are 100+ existing videos as a learning resource (or just for fun!) - all the content is listed below (as well as via a link in the channel's 'about' section).

You can view a trailer for their new sessions here: <https://www.youtube.com/watch?v=tIT0IIA1Wlg>

In recent months the Diocese of Leeds' online music programme has won a prestigious Royal Philharmonic Society Inspiration Award, and featured twice on BBC Radio 4's Sunday Programme.

We hope you will find the online singing sessions both helpful and enjoyable.
