Re: Update on Repairs to Gas Leak

Dear Parents and Carers,

I really hope that your Christmas is going well and that your plans for the New Year are still intact. Apologies for this intrusion into your break, but I wanted to briefly confirm with you the arrangements for the start of the Spring Term.

The gas leak that forced us to close prior to Christmas has been fully repaired and the heating is working again, so we are looking forward to welcoming all the children back on Tuesday January 4th. As normal, the gates will be open from 8.40 to 8.50am.

I'd also like to take this opportunity to thank you again for your support during the final days of term when we had to close and move to remote teaching and I wish all of you a very happy, healthy and peaceful New Year.

Kind regards,

Paul Barber
Head Teacher
