Re: Year 1 Meeting
Science Week
Year 6 SATs Preparation and Residential
Ukraine Appeal

Dear Parents and Carers,

I hope you're well and that the promise of the warmer weather has lifted spirits! I'm just writing this morning with some updates for you all:

1. Year 1 Parents: I'm inviting you to a short meeting with me tomorrow (Tuesday 15th March at 2.45pm) to outline the arrangements for our support of Year 1 and how the phased return of Miss. Cordell is being managed. I look forward to seeing as many of you there as possible – there will be an opportunity for you to ask me any questions.
2. This week we're celebrating Science week with lots of experiments and assemblies going on; please look out for photographs on our Twitter page to keep up to date with all the excitement! You can find our feed here: [@CatholicLourdes](https://twitter.com/CatholicLourdes) / [Twitter](https://twitter.com/CatholicLourdes)
3. Those of you with children in Year 6 will already know that the children are busy preparing for their SATs exams and will have had the opportunity to talk with Mrs. Nicholson about the areas for practice and revision prior to those assessments. On Tuesday afternoons, we've arranged a series of small group, focussed intervention sessions for all of them to help prepare for English and Maths assessments and these will continue until the SATs take place. You'll also be aware that we've booked our regular residential trip to Blacklands Farm. Based on our experiences of last year; I've made the trip slightly shorter not only to support the children in terms of time away from home, but also cost to families.
4. Huge thanks for your ongoing support for Ukraine. Do keep bringing in the products listed below, if you can.

Have a good week, everyone.

Paul
