Re: Amber Weather Warning – Monday July 18th and Tuesday July 19th

Dear Parents and Carers,

You'll remember I wrote to you earlier in the week regarding the high temperatures we're forecast next week. Here are the measures I'd appreciate your support with to ensure we're all as comfortable as possible:

1. Children should attend in their Our Lady's PE kit on Monday AND Tuesday.
2. Children should bring a sun hat and plenty of water (as many have already been doing).
3. On Monday, 18th, children will be able to leave school early after parents have attended the Review of the Year which starts 2pm.
4. We'll be 'dynamically' risk assessing our provision during both Monday and Tuesday to ensure children are kept safe. We'll keep you updated with any changes via PING, Facebook and Twitter; so please look out for these messages.
5. The Year 6 Leaver's Assembly on Tuesday will go on as planned, but if you're planning to attend, please do bring water with you. Given the forecast temperature, it's likely that we won't include the whole school in this and will decamp to the church (which will be much cooler) for mass, or the prize giving too, depending on temperature. We'll make sure siblings of Year 6 are in attendance.

Thanks very much for your support with the last few days of term, as always. I'll be in touch again next week before we break up.

Best regards,

Paul
