Re: Year 2 SATS

Hello, everyone

As we approach the Summer Term, I thought I'd get in touch about the Year 2 SATS. These will take place the week beginning the 15th and 22nd May 2023.

There are four papers in total for the children to try and they will be organised as follows:

- 15th May - Reading paper 1
- 16th May - Reading paper 2
- 23rd May – Maths paper 1
- 24th May – Maths paper 2

We're really keen that we keep everything really calm and ensure we provide an environment for everyone to do their absolute best. The children will be split into small groups each with two adults to ensure that the tests are administered correctly. All our adults will have worked with the children before and will be there to help, encourage and support.

As we have previously discussed, these papers are nothing for you or your children to worry about; they are simply a reflection of all the incredible effort your child has put into their learning over the last few months.

We also won't be making any fuss over the SATS in terms of the language that we use at school. We'll simply undertake them in the way we undertake our internal assessments – the children are used to completing booklets and trying their best at their tests. We'd welcome your support in keeping things calm at home too!

I am so proud of how determined and resilient the children have been thus far in Year 2. We will use those two weeks in May as an opportunity to celebrate them, have fun and be creative. Please note that the children will need to come in wearing their PE kits across those two weeks to allow us to get them moving and outside as much as possible.

If you have any questions or concerns please email me and I will get back to you.

Kind regards,

Miss Hamilton
