

A record year!

# Keeeeerrching!

Hundreds of books for the library, much needed SEND resources, YR1 class equipment, piles of Maths materials, KS1 books and so much more - we did that!

In an ideal world the funding schools receive from the Local Authority would be sufficient to cover everything a school dreamt of - but the reality is a tad different. So the funds we raise together directly goes to support many many things that help create such a rich learning experience for our children.

Thank you to the whole school community for everything you've done this year to raise such an invaluable amount. Parents, teachers, friends, volunteers, sponsors and most importantly the PTFA we can not thank you enough.
