Re: Congratulations to Year 6

Hello, everyone,

As we approach the end of term, I wanted to get in touch with you to celebrate the achievements of Year 6 in their recent SATs. Despite being just one measure of success at our school, such is the scale of their achievement that I feel the wider community would appreciate knowing.

Across the year group, the team achieved some of the highest results the school has ever seen:

96% of children met the standard in Reading.
88% met the standards in Spelling, Punctuation and Grammar
88% met the standards in Writing.
83% met the standards in Maths.

83% met standards in all three disciplines.

The table below also includes the National Average figures so you'll be able to see the comparison and also the details for those reaching greater depth in their studies, most notably in reading.

Year 6 SATS results

	% ARE OLOL	National	%GD
SPaG	88%	72%	33%
Reading	96%	73%	42%
Writing	88%	71%	13%
Maths	83%	73%	33%
Combined	83%	59%	13%

As our Year 6 prepare for their final days at the school, I'd like to take this opportunity to thank the parents and carers of this cohort for the amazing support they've shown throughout their child's journey. We look forward to making the last few days truly memorable. We are all tremendously proud of each of them. Enjoy the weekend, when it arrives.

Paul
