

AUTUMN TERM SPORTS UPDATE

We've had a very busy sporting start to this academic year. We kicked off back in October with our first set of ACE Sports partnership events; a 'V Strike' festival. Many of our children signed up to take part in this event and it was a fantastic opportunity for our children to have lots of fun and get to know children from the other schools a little bit better. I know many of the children thoroughly enjoyed the games and liked that there was such a variety on offer.

ATHLETICS

After the half term, we entered into our first round of competition events, in the shape of an indoor athletics competition. First up were our **YEAR 6 TEAM**, who were awarded second place! A special mention to our year 5 boys that stepped in and represented the year above them – we literally could not have done it without you, so thank you boys!

Next, was the turn of our **YEAR 5 TEAM**, who were awarded 1st place! There was lots of cheering and celebrating (thank you to Miss Anscombe for encouraging this!) Every single child worked so hard and all of them contributed to this wonderful achievement – well done all!

Following year 5 were our **YEAR 4 TEAM**, who also came 2nd! They were FAB and were delighted to walk away with a medal.

Finally, our wonderful **YEAR 3 TEAM**, who were awarded 1st place!!!

CROSS COUNTRY

On the 13th November, we took part in the annual cross-country event. Personally, I think it's the toughest event, so a massive well done to all the children who signed up and were willing to give this one a go! The weather was mostly on our side this year, thankfully and we had many (albeit tired) smiles at the end. A few special mentions for those who finished within the top 100:

Noah – 56th

Leah – 15th (who has also been invited to attend the finals in March)

Evie – 95th

Jacob – 45th

Aysha – 36th

Tilda – 62nd

Nelle – 68th

We've got plenty more events planned for spring term – please keep an eye on ping for more information.

Miss G

This term, we also entered into the B & H Schools football tournaments. We started with our boys team, who faced some incredibly tough opposition! The boys drew 3 matches and lost 3 matches and unfortunately, didn't progress any further. Thank you, Mrs Philbrook, for supporting, in the cold too – the boys had a lovely time and what better way to spend a Friday afternoon?! Next, the girls' tournament took place. They played 3 matches in total, drew one and lost 2. Like the boys, the girls didn't progress through but I was so impressed with their team work, effort and talent – well done girls!
