This week's Gospel

This week's Gospel Focus: This Sunday's Gospel tells the story of a man born blind who is healed by Jesus, the "Light of the World." Through this miracle, the man learns to see not just with his eyes, but with his heart, eventually declaring, "Lord, I believe." As we continue our Lenten journey, we are reminded to follow Jesus' light by looking for the goodness in others and sharing kindness throughout our school community.

Try this at home: This week, try to perform one "random act of kindness" for a classmate or teacher without being asked—like holding a door, sharing a kind word, or helping someone tidy up.

Pray for...

Dear Lord, help us to see the world through Your eyes. Guide us to be a light for others by being kind, helpful, and brave, just as the man in the Gospel was.

Amen.
