PARENT TESTIMONIAL

The class has so many different activities that it really does suit all learning styles, personalities and ages. A lovely balanced mix of French and English works well too

Our popular French clubs are so much more than a language class!

Following the award winning programmes of La Jolie Ronde, each session involves original stories and songs, games and activities in the engaging activity workbook.

Led by a qualified primary teacher and French graduate.

British Sign Language (BSL) Course for primary school children

Teaching a visual language improves inclusivity from an early age, integrating and uniting children while providing them with another great way to communicate.

It is packed full of activities and games...

...such as splat, hop-to-the-sign and BSL bingo! Plus lots of arts and crafts so children can keep learning at home with their BSL calendar, booklet and recipe book!

Built with knowledge and experience

The course has been developed and trialled with BSL consultants, BSL teachers and deaf and hearing children across a range of ages from 7 to 11 years old.

WE KNOW NETBALL

We have been providing netball leagues for over 10 years, with 40,000 women playing with us weekly.

A large number of girls unfortunately give up all sport during their teenage years, with confidence being a large reason. We have found that for 44% of our adult players who join, we are their first contact with sport or netball since leaving school. Playing sport, and belonging to a team or club, has huge personal, social and emotional benefits. We want to give children the opportunity to try netball at a young age, and hopefully create a lifelong connection with sport, and give them the confidence to continue playing into their adult lives.
