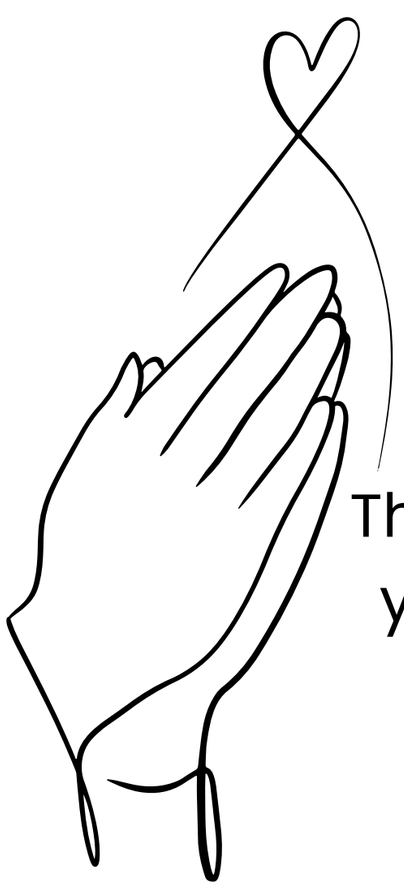
This week's Gospel

This week's Gospel Focus: The Good Shepherd

In this Sunday's Gospel (John 10:1-10), Jesus tells us that He is our Good Shepherd. Just as sheep know and follow their shepherd's kind voice, Jesus invites our children to listen for Him in their hearts. He promises to protect us like a gate keeps a flock safe, leading us to happy, "abundant" lives.

Try this at home: This week, try asking your little ones what it feels like to be safe and loved. Together, we can practice listening for Jesus' voice through our words of kindness and prayer.



Pray for...

Dear Jesus, our Good Shepherd,
Thank you for watching over us and calling us by name. Help us to hear your voice and follow you with kindness in our hearts. Please keep our families safe and fill our home with your joy.
Amen.

This session is being led by Dr Johann McGavin, a Brighton GP and father to Romi in year 6. Dr McGavin would like to provide you all with the opportunity to hear what the research is telling us about smartphone use in children, providing a non-judgemental space to share experiences, both positive and negative, of smartphone use with our own children. It's also an opportunity to discuss practical tips to ensure the safety and wellbeing of our children at home and at school.
