This week's Gospel

This week's Gospel Focus: Love

This Sunday's Gospel reminds us of Jesus' simple but powerful message: to love God with all our heart, soul and mind, and to love our neighbour as ourselves. As families, we are encouraged to put this love into action through small acts of kindness, generosity and service.

Try this at home: As a family, decorate a jar or box and call it your "Love Jar." Throughout the week, each family member can write or draw ways they have shown love to God, their family, friends, neighbours or the wider community. These could be simple acts such as helping with chores, sharing toys, saying a kind word or praying for someone. At the end of the week, take time together to read the notes and celebrate how God's love has been shared through your actions.

Pray for...

Dear God,
Help us to be grateful for the meals we get on our plate.
Bless those who aren't as lucky as us and don't get a hot meal.
Amen

Prayer from Etta Y6

SEND Coffee Morning – ALL welcome

This year, I'd like to take a slightly different approach to our SEND coffee mornings.
As well as being an opportunity for our SEND community to come together, I'd like these sessions to provide parents with access to first-hand advice and support from professionals with specialist expertise.

I'm therefore pleased to let you know that we have secured **Jo Heath, Specialist Family Support Worker from the Autism and Language Team (BHISS)**, to lead our next coffee morning.

Jo will be focusing on the impact of masking and the associated dysregulation that can affect children at home. The session will explore why some children work incredibly hard to hold things together during the school day, only for emotions and behaviours to surface later at home. Jo will share insights into what masking can look like, the impact it can have on wellbeing and family life, and practical ways to support children who may be experiencing this.

We hope you'll be able to join us for what promises to be an informative and supportive session. If you would like to attend, please keep an eye out for a Ping message that will be sent shortly. We'd be grateful if you could complete the response, as this will help us get an idea of numbers for the session.

Thank you,
Mrs Golawska

For parents/carers!
